Description of Benefits

This brochure describes the highlights of your protection plan. You will be provided with a full description of coverage, conditions and exclusions when you purchase your plan.

Please note: Residents of Washington State will receive a separate description of coverage in compliance with state requirements.

Part A - TRAVEL PROTECTION

Trip Cancellation/Trip Interruption: The Insurer will pay a benefit, up to the maximum shown on the Schedule of Coverage and Services, if You are prevented from taking Your covered Trip due to the following Unforeseen events:

- a) Sickness, Accidental Injury, or death of You or Your Traveling Companion, or a Family Member or Business Partner of You or Your Traveling Companion, which results in medically imposed restrictions as certified by a Physician at the time of loss preventing Your continued participation in the Trip. A Physician must advise cancellation of the Trip on or before the Scheduled Departure Date.
- b) Strike that causes complete cessation of services for at least 24 consecutive hours.
- c) Weather which causes complete cessation of services of the Common Carrier for at least 24 consecutive hours.
- d) You or a person(s) sharing the same room with you during your trip are terminated or laid off from employment subject to three years of continuous employment at the place of employment where terminated.
- e) You or Your Traveling Companion are hijacked, quarantined, required to serve on a jury, required to appear as a witness in a legal action, provided You or a Traveling Companion is not a party to the legal action or appearing as a law enforcement officer, subpoenaed, the victim of felonious assault within 10 days of departure; or having Your or Your Traveling Companion's principal place of residence made uninhabitable by fire, flood, or other Natural Disaster; or burglary of Your or Your

Traveling Companion's principal place of residence within 10 days of departure.

- f) Bankruptcy or Default of Your Travel Supplier which occurs more than 14 days following Your Effective Date. Coverage is not provided for the Bankruptcy or Default of the agency from whom You purchased Your Land/Sea Arrangements. Benefits will be paid due to Bankruptcy or Default of an airline only if no alternate transportation is available. If alternate transportation is available, benefits will be limited to the change fee charged to allow the Insured to transfer to another airline in order to get to the Insured's intended destination.
- g) If within 30 days of Your departure, a politically motivated Terrorist Attack occurs within the territorial limits of the City listed on Your itinerary. The Terrorist Attack must occur after the Effective Date of Your Trip Cancellation coverage.
- h) You or Your Traveling Companion who are military personnel, and are called to emergency duty for a disaster other than war.
- i) You or Your Traveling Companion being directly involved in a traffic Accident substantiated by a police report, while en route to departure
- j) The death or hospitalization of Your Host at Destination.
- k) Natural disaster at the site of the Your destination which renders Your destination accommodations uninhabitable.

All cancellations must be reported directly to the Travel Supplier within 72 hours of the event causing the need to cancel, unless the event prevents it, and then as soon as is reasonably possible. If the cancellation is not reported within the specified 72-hour period, the Company will not pay for additional charges which would not have been incurred had an Insured notified the Travel Supplier in the specified period. If the event prevents an Insured from reporting the cancellation, the 72-hour notice requirement does not apply; however, an Insured must, if requested, provide proof that said event prevented him or her from reporting the cancellation within the specified period.

Trip Cancellation (not applicable to Post Departure Plan): Non-refundable cancellation charges imposed by Your Travel Supplier and/or airfare cancellation charges for flights joining or departing Your Land/Sea Arrangements; or the additional costs You may incur as a result of a change in the per-person occupancy rate of prepaid travel arrangements if a person booked to share accommodations with You cancels his/her Trip for

a covered reason and You do not cancel. If Your Travel Supplier cancels Your Covered Trip, You are covered up to the cost of the ticket for the re-issue fee charged by the airline for the tickets. You must have covered the entire cost of the Covered Trip including the airfare.

Trip Interruption (Post Departure Plan Return Air Only up to \$1,000): Unused, non-refundable land or sea expenses prepaid to Travel Supplier and/or the airfare paid, to return home or rejoin the original Land/Sea Arrangements (limited to the cost of one-way Economy Fare by scheduled carrier, from the point of destination to the point of origin shown on the original travel tickets) less the value of applied credit from an unused return travel ticket. In no event shall the amount reimbursed exceed the lesser of the amount You pre-paid for Your Trip, or the maximum benefit shown on the Schedule of Coverage and Services; or the additional costs You may incur as a result of a change in the per-person occupancy rate of prepaid travel arrangements if a person booked to share accommodations with You cancels his/her Trip for a covered reason and You do not cancel.

Trip Delay: The Insurer will reimburse You for covered expenses on a one time basis, up to the maximum shown in the Schedule of Coverage and Services, if You are delayed en route to or from the covered Trip for 6 or more hours due to a covered reason. Covered expenses include Your additional transportation cost to join the Trip or return home, including up to \$150 per day for reasonable additional expenses incurred for meals and lodging, or any prepaid, unused, non-refundable land and water accommodations. Covered Reasons for travel delay are: Carrier-caused delay (including bad weather); You or Your Traveling Companion being delayed by a traffic Accident while en route to a departure, in which You or Your Traveling Companion is directly or not directly involved; lost or stolen passports, money, or travel documents; quarantine; hijacking, unannounced Strike, Natural Disaster.

Missed Connection: Covers missed Cruise or Trip departures which result from cancellation or delay (for three or more hours) of all regularly scheduled airline flights due to inclement weather or any Common Carrier-caused delay. Maximum benefits of up to the amount shown on the Schedule of Coverage and Services are provided to cover additional transportation expenses needed for You to join the departed Cruise or Trip, reasonable accommodations, and meal expenses and non-refundable payments for the unused portion of Your Cruise or Trip. Coverage will not be provided to indi-

viduals who are able to meet their scheduled departure but cancel their Trip due to Inclement Weather.

Part B - BAGGAGE PROTECTION

Baggage/Personal Effects: The Insurer will reimburse You up to the maximum shown on the Schedule of Coverage and Services for loss, theft, or damage to Baggage and personal effects. The Insurer will pay the lesser of the following: Actual Cash Value at the time of the loss, less depreciation as determined by the Insurer, or the cost of repair or replacement. There is a \$250 per article limit. There will also be a combined maximum limit of \$500 for the following: jewelry; watches and cameras, including related equipment; articles consisting in whole or in part of silver, gold, or platinum; furs and articles trimmed with or made mostly of fur. The Insurer will also reimburse You for charges and interest incurred due to unauthorized use of Your credit cards if such use occurs during Your Trip and if You have complied with all credit card conditions imposed by the credit card companies. The Insurer will reimburse You for fees associated with the replacement of Your passport during Your Trip. Receipts are required for reimbursement.

Baggage Delay (Outward Journey Only): The Insurer will reimburse You for expenses of necessary personal effects, up to the maximum shown in the Schedule of Coverage and Services, if Your checked Baggage is delayed or misdirected by Common Carrier for more than 24 hours from the time You arrive at the destination stated on the ticket, except travel to final destination or Your place of residence. You must be a ticketed passenger of a Common Carrier.

Part C - MEDICAL PROTECTION

Residents of Washington State are eligible for reimbursement of Covered Medical Expenses up to the plan limit for up to 52 weeks from the date a covered injury or sickness.

Emergency Accident and Sickness Medical Expense: The Insurer will pay benefits up to the maximum shown on the Schedule of Coverage and Services, if You incur medical expenses for Emergency Medical Treatment as a result of an Accidental Injury which occurs on the covered Trip or a Sickness which first manifests itself during the covered Trip. Emergency Treatment means necessary medical treatment, including services and supplies, which must be performed during the Covered Trip due

to the serious and acute nature of the Accidental Injury or Sickness. The Insurer will pay benefits, up to \$750.00, for emergency dental treatment for Accidental Injury to sound natural teeth. The Insurer will advance payment to a Hospital, up to the maximum shown on the Schedule, if needed to secure the Insured's admission to a Hospital because of Accidental Injury or Sickness.

Emergency Evacuation: The Insurer will pay, subject to the limitations set out herein, for Covered Emergency Evacuation Expenses reasonably incurred if You suffer an Injury or Emergency Sickness that warrants Your Emergency Evacuation while You are on a Trip. Benefits payable are subject to the Maximum Amount per person shown on the Schedule for all Emergency Evacuations due to all Injuries from the same Accident or all Emergency Sicknesses from the same or related causes. A legally licensed Physician, in coordination with the Assistance Company, must order the Emergency Evacuation and must certify that the severity of Your Injury or Emergency Sickness warrants Your Emergency Evacuation to the closest adequate medical facility. It must be determined that such Emergency Evacuation is required due to the inadequacy of local facilities. The certification and approval for Emergency Evacuation must be coordinated through the most direct and economical conveyance and route possible, such as air or land ambulance, or commercial airline carrier. Covered Emergency Evacuation Expenses are those for Medically Necessary Transportation, including Reasonable and Customary medical services and supplies incurred in connection with Your Emergency Evacuation.

Expenses for Transportation must be: (a) recommended by the attending Physician; and (b) required by the standard regulations of the conveyance transporting You and (c) reviewed and pre-approved by the Assistance Company; The Insurer will also pay reasonable and customary charges for escort expenses required by You, if You are disabled during a Trip and an escort is recommended in writing, by the Insured's attending Physician and must be pre-approved by the Assistance Company. If You are hospitalized for more than 7 days following a Covered Emergency Evacuation Expense, the Insurer will pay subject to the limitations set out herein, for expenses:

- 1) to return to the United States where they reside, with an attendant if necessary, any of Your Dependent Children who were accompanying You when the Injury or Emergency Sickness occurred; but not to exceed the cost of a single

one-way economy airfare ticket less the value of applied credit from any unused return travel tickets per person.

- 2) to bring one person chosen by You to and from the Hospital or other medical facility where You are confined if You are alone; but not to exceed the cost of one round-trip economy airfare ticket.
- 3) to return You from the medical facility to which You were evacuated to Your return destination via Common Carrier, within one year from Your original Trip completion date. Commercial airfare costs will be in the same class of service, as Your original airline tickets, or in business or first class as in compliance to Your medical necessities and requirements upon Your discharge, less refunds from Your unused transportation tickets.

In addition to the above covered expenses, if the Insurer has previously evacuated You to a medical facility, the Insurer will pay Your airfare costs from that facility to Your primary residence, within one year from Your original Scheduled Return Date, less refunds from Your unused transportation tickets. Airfare costs will be economy, or first class if Your original tickets are first class. This benefit is available only if it is not provided under another coverage in the policy.

Repatriation of Remains: The Insurer will pay reasonable Covered Expenses incurred to return Your body to Your primary residence if You die during the covered Trip. This will not exceed the maximum shown on the Schedule of Coverage and Services. Covered Expenses include, but are not limited to, expenses for embalming, cremation, minimally necessary coffins for transport, and transportation.
